

WHISKY COMPRESSION PLUG INSTRUCTIONS

▲ WARNING: Cycling can be dangerous. Bicycle products should be installed and serviced by a professional mechanic. Never modify your bicycle or accessories. Read and follow all product instructions and warnings including information on the manufacturer's website. Inspect your bicycle before every ride. Always wear a helmet.

Additional safety info can be found at: whiskyparts.com/safety

Intended Use & Compatibility

The Whisky Parts Co. Compression Plug is designed for carbon forks with 1-1/8" carbon steerer tubes and an inside diameter of 23-25mm at the top of the steerer. Most carbon forks have tapered steerers that are larger diameter at the fork crown.

Tools Required

- Allen wrenches: 4, 5, 6mm
- Torque wrench that measures in Newton meters

Compression Plug Installation

1. Insert the compression plug into the steerer tube. The flange should sit flush against the top of the steerer tube.
2. Using a 6mm Allen wrench, tighten the compression plug until secure. Do not exceed 8Nm.
3. Install spacers and stem including 5-10mm of spacers above the stem.
4. Ensure that the topmost spacer extends 3mm above the top of the steerer tube.
5. Using a 4mm Allen wrench, install the top cap, grease the threads, and torque to the headset manufacturer's specification.

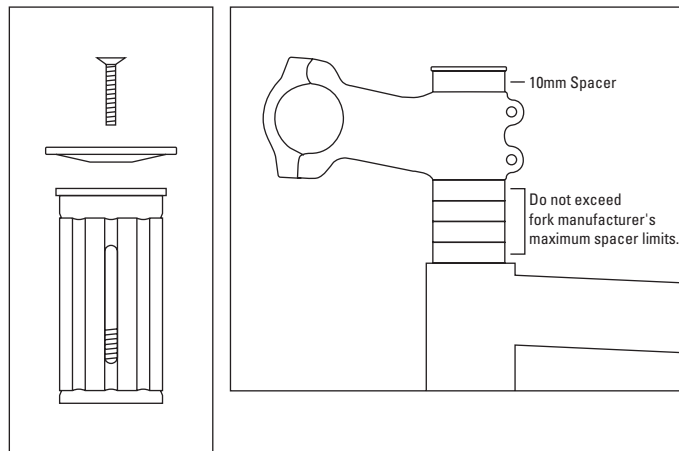

Compression Plug Removal

1. Using a 4mm Allen wrench, remove the top cap.
2. Remove stem and spacers.
3. Using a 6mm Allen wrench, loosen the compression plug then gently remove the compression plug from the steerer tube.

Ongoing Maintenance

▲ WARNING: Do not modify the fork other than cutting the steerer tube to the correct length for your bicycle. Modifying the fork could cause fork or other component failure resulting in serious injury. Regularly inspect your carbon fork and its steerer for any visible signs of cracking or failure..

1. Loosen the stem's steerer clamp bolts before making any stem-to-fork alignment adjustments.
2. Periodically remove, clean, and inspect your fork for damage, cracks, or any other signs of premature wear. Any questions about marks or cracks on the fork should be directed to your Whisky Parts Co. dealer immediately.

3. In the event of a crash or impact, carefully inspect handlebars, fork, stem, seatpost, wheels, and the frame for any visible damage. As with any component under varying degrees of stress there is a fatigue life that is proportional to the type of use and abuse applied to the part. Always inspect your components before a ride. If you have doubts about the integrity and condition of any part, replace it. Consult your dealer if you are unsure about the condition of your components or any part of your bicycle.

Limited Warranty

Whisky Parts Co. warrants this part against manufacturing defects in materials, craftsmanship and design for a period of two years from the date of purchase for only the original owner with accompanying proof of purchase.

This warranty applies to and covers only Whisky Parts Co. branded product.

TO THE EXTENT NOT PROHIBITED BY LAW, THESE WARRANTIES ARE EXCLUSIVE AND THERE ARE NO OTHER EXPRESS OR IMPLIED WARRANTIES OR CONDITIONS INCLUDING WARRANTIES OR CONDITIONS OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

Warranty Exclusions

- Damage due to improper installation or follow-up maintenance or lack of skill, competence or experience of the user or assembler
- Products that have been modified, neglected, used in competition or for commercial purposes, misused or abused, involved in accidents or anything other than normal use
- Installation of components, parts, or accessories not originally intended for or compatible with Whisky Parts Co. products
- Damage or deterioration to the surface finish, aesthetics, or appearance of the product including but not limited to paint damage
- Normal wear and tear

- Labor required to remove and/or refit and re-adjust the product within the bicycle assembly
- Damage to carbon fiber caused by any carbon assembly paste

This limited warranty is expressly limited to the repair or replacement of a defective product, at the option of Whisky Parts Co. and is the sole remedy of the warranty. This limited warranty applies only to the original purchaser of the product and is not transferrable. This warranty applies only to products purchased through an authorized dealer or distributor. In no event shall Whisky Parts Co. be liable for any loss, inconvenience or damage, whether direct, incidental, consequential, or otherwise resulting from breach of any express or implied warranty or condition, of merchantability, fitness for a particular purpose, or otherwise with respect to Whisky Parts Co. products except as set forth herein. This warranty gives the consumer specific legal rights, and those rights and other rights may vary from place to place. This warranty does not affect your statutory rights. Whisky Parts Co. products are warranted against manufacturing defects in materials and workmanship from the date of retail purchase of the product, subject to the limitations detailed above.

Submitting a Claim

Claims can be made anywhere Whisky Parts Co. products are sold. When in doubt, contact your local shop. Please provide details about what happened including but not limited to other components used in conjunction with the alleged defective Whisky part. Proof of purchase is required before a warranty claim is processed. Failure to register will not affect consumer rights under the limited warranty stated above, so long as the consumer can show in a reasonably manner proof of original ownership and the date the Whisky Parts Co. product was purchased.

Warranty Registration

Proof of purchase is required before a warranty claim is processed. Whisky Parts Co. therefore strongly encourages warranty registration at whiskyparts.com. Failure to register will not affect consumer rights under the limited warranty, so long as the consumer can show in a reasonable manner proof of original ownership and the date the Whisky Parts Co. product was purchased.
